

Terumo® Modular Perfusion Circuit

ROCsafe™ – The mini circuit for maximum safety

▶ Ordering Information

DESCRIPTION	CATALOG NO.	UNITS/CASE
ROCsafe™ Modular Perfusion Circuit		
① ROCsafe™ Modular Perfusion Circuit with SX18 and AV6 arterial filter	CX-ROC.....	1
① Accessory pack with flexible reservoir	CX-ROCA	10
Accessory pack with hardshell reservoir	CX-ROCB	1
System 1 configured for ROCsafe™/ROCsafeRX	ROCSET	1
ROCsafeRX Modular Perfusion Circuit		
ROCsafeRX Modular Perfusion Circuit with RX15 and AL6 arterial filter	CX-ROCRXAL6.....	1
ROCsafeRX Modular Perfusion Circuit with RX15 and AV6 arterial filter	CX-ROCRXAV6.....	1
ROCsafeRX Modular Perfusion Circuit with RX15 and AL8X arterial filter	CX-ROCRXAL8X.....	1
① Accessory pack with flexible reservoir	CX-ROCA	10
Accessory pack with hardshell reservoir	CX-ROCB	1
System 1 configured for ROCsafe™/ROCsafeRX	ROCSET	1
ROCsafeRX Modular Perfusion Circuit with RX25 and AL6 arterial filter	CX-ROC25AL6.....	1
① ROCsafeRX Modular Perfusion Circuit with RX25 and AV6 arterial filter	CX-ROC25AV6.....	1
ROCsafeRX Modular Perfusion Circuit with RX25 and AL8X arterial filter	CX-ROC25AL8X.....	1

ROCsafe™ Modular Perfusion Circuit

✓ Features

ROCsafe™ Modular Perfusion Circuit

- High performance
- Proven air removal capacity
- Suitable for all types of on-pump procedures

ROCsafeRX Modular Perfusion Circuit

✓ Features

ROCsafeRX Modular Perfusion Circuit

- Improved performance with reduced priming volume
- Proven air removal capacity
- Component flexibility
- Suitable for all types of on-pump procedures
